DRAGSTER ADVENTURE OPTIONS

Dragster Adventure is a course specifically designed for drivers that want to “drive a dragster” and compete in SIDE-BY-SIDE racing without committing the time and resources required to become a licensed race car driver in one of our licensing courses. This course provides drivers with ‘full-sized’ competition-style cars that can travel 0-60 MPH in 3 SECONDS, reach 130 MPH in the 1/4 mile, and offers SIDE-BY-SIDE racing!

DRAGSTER ADVENTURE

\$399

Length of course: 1/2 day
Runs include: One half track and two full quarter-mile runs*

*Drivers must perform properly for full quarter mile runs

The Dragster Adventure course provides drivers with an SFI-approved helmet, collar, gloves, arm restraints and a FULL SFI 3.2A/5 racing suit. Drivers will receive classroom, in-car and on-track instruction from NHRA World Champion Frank Hawley and his staff. The Dragster Adventure course includes THREE runs. The first will be an 1/8 mile run. If the driver demonstrates skill and good judgment on their first run, they'll follow-up with TWO FULL quarter-mile runs! Runs in the Dragster Adventure program are single runs, giving drivers the chance to experience the adrenaline rush of driving a big-block-Chevy-powered dragster, while preparing some for entry into the Dragster Adventure Challenge.

DRAGSTER ADVENTURE CHALLENGE

\$598

Length of course: full day
Runs include: DRAGSTER ADVENTURE plus entry into the DRAGSTER ADVENTURE CHALLENGE

Drivers will compete in a tournament-style elimination just like the pro drivers. The more a driver wins, the more runs they get to make, AT NO ADDITIONAL COST!

This is a REAL RACE! Competitors in the Dragster Adventure Challenge will attend a drivers meeting where they'll receive further instruction on how to compete in the side-by-side eliminations. Topics discussed will include choosing dial-ins, tips on obtaining quicker reaction times and more detail on the functions of the timing system. Pairings will be set and the competition begins. Each class will produce a champion who will hold the class trophy and...bragging rights!
